

PRELIMINARY TIMETABLE

SUNDAY, APRIL 26

ECIO 2026

APRIL 26 - 30
BASEL, CH

MONDAY, APRIL 27

	Auditorium 3	Hands-on Room 2
45		
08:00	IO FOUNDATION COURSE	BREAST CRYOABLATION COURSE
15		
30		
45		
09:00		
15		
30		
45		
10:00		
15		
30		
45		
11:00		
15		
30		
45		
12:00	IOFC 111 Essentials of oncology 	BRCR 112 – Breast cancer and thermal ablation: how to build a practice?
15		
30		
45		
13:00	IOFC 121 Lung cancer and lung metastases 	BRCR 122 Hands-on session
15		
30		
45		
14:00	IOFC 131 Renal cell carcinoma 	
15		
30		
45		
15:00		
15		
30		
45		
16:00	IOFC 141 Breast cancer	BRCR 132 – Why and how a cryoablation on breast tumours?
15		
30		
45		
17:00	IOFC 151 Primary liver cancer and liver metastases 	BRCR 142 Pushing boundaries
15		
30		
45		
18:00		
15		
30		
45		
19:00		
15		

Auditorium 1	Auditorium 2	Auditorium 3	Hands-on Room 1	Hands-on Room 2
CF 211 Pushing the boundaries in HCC management: new horizons in...			HDT-TA 21.1 Tumour ablation: heat-based ablation	
CF 221 Mastering local treatment of metastatic colorectal cancer	CF 222 Defining success in renal IO: outcomes that drive practice		HDT-TA 22.1 Tumour ablation: cold-based ablation	WS 22.2 Workshop: Mastering communication in patient care
SY 231 – Satellite Symposium				
SY 232 – Satellite Symposium				
SY 233 – Satellite Symposium				
EM 241 ECIO meets ESMO: Breast Cancer	CF 242 Immunotherapy: a snapshot of the opportunities and challenges for IO	CF 243 Shaping the future of IR: leadership, collaboration, and training across borders	HDT-TA 24.1 Tumour ablation: non-thermal ablation	WS 24.2 Workshop: Collaborative decisions that count – enhancing MDT effectiveness
TF 251 How to perform a safe and effective procedure: a step-by-step approach (1)	CF 252 Setting standards, building evidence and driving impact in IO	BC 253 Basic course: lung – the essentials	HDT-TA 25.1 Tumour ablation: confirmation software	
SY 260 – Satellite Symposium				

TECHNICAL EXHIBITION

PRELIMINARY TIMETABLE

ECIO 2026

APRIL 26 - 30
BASEL, CH

TUESDAY, APRIL 28

	Auditorium 1	Auditorium 2	Auditorium 3	Hands-on Room 1	Hands-on Room 2
45					
08:00					
15					
30					
45					
09:00	TB 311 Tumour Board: lung 	CF 312 Spinal metastases: multidisciplinary management 	SP 313 Scientific papers 1 	HDT-TA 31.1 Tumour ablation: confirmation software 	HDT-RE 31.2 Radioembolization: dosimetry and administration systems 
15					
30					
45					
10:00					
15					
30					
45					
11:00	HL 321 Honorary Lecture			HDT-TA 32.1 Tumour ablation: non-thermal ablation 	
15					
30					
45					
12:00	HT 322 – Break-throughs in IO				
15					
30					
45					
13:00	SY 331 – Satellite Symposium				
15					
30					
45					
14:00	SY 332 – Satellite Symposium				
15					
30					
45					
15:00	SY 333 – Satellite Symposium				
15					
30					
45					
16:00	TB 341 Tumour Board: colorectal cancer 	EM 342 ECIO meets EUROSPINE	SP 343 Scientific papers 2 	HDT-TA 34.1 Tumour ablation: cold-based ablation 	HDT-RE 34.2 Radioembolization: dosimetry and administration systems 
15					
30					
45					
17:00					
15					
30					
45					
18:00	CF 351 Ask me anything: an MDT approach to patient care	IA 352 – Structured IO pathways: delivering excellence in ablation care at IASIOS centres / Accreditation workshop	BC 353 Basic course: lung – the primary lung cancer 	HDT-TA 35.1 Tumour ablation: heat-based ablation 	
15					
30					
45					
19:00	SY 360 – Satellite Symposium				
15					

- BC:** Basic Course
- BRCR:** Breast Cryoablation Course
- CF:** Clinical Focus Session
- EM:** ECIO meets
- HDT:** Hands-on Device Training
- HL:** Honorary Lecture
- HT:** Hot Topics
- IOFC:** IO Foundation Course
- MM:** Morbidity and Mortality
- SP:** Scientific Paper Session
- SY:** Satellite Symposium
- TB:** Tumour Board
- TF:** Technical Focus Session
- VL:** Video Learning Session
- WS:** Workshop

 onsite exclusive

 voting/polling

 Sessions recommended for EBIR preparation
