

TIMETABLE

ECIO 2026

APRIL 26 - 30
BASEL, CH

SUNDAY, APRIL 26

MONDAY, APRIL 27

	Auditorium 3	Hands-on Room 2
45	IO FOUNDATION COURSE	BREAST CRYOABLATION COURSE
08:00		
15		
30		
45		
09:00		
15	IOFC 111 Essentials of oncology	BRCR 112 – Breast cancer and thermal ablation: how to build a practice?
30		
45		
10:00		
15		
30	IOFC 121 Lung cancer and lung metastases	BRCR 122 Hands-on session
45		
11:00		
15		
30		
45	IOFC 131 Renal cell carcinoma	BRCR 132 – Why and how a cryoablation on breast tumours?
12:00		
15		
30		
45		
13:00	IOFC 141 Breast cancer	BRCR 142 Pushing boundaries
15		
30		
45		
14:00		
15	IOFC 151 Primary liver cancer and liver metastases	
30		
45		
15:00		
15		
30		
45		
16:00		
15		
30		
45		
17:00		
15		
30		
45		
18:00		
15		
30		
45		
19:00		
15		

Auditorium 1	Auditorium 2	Auditorium 3	Hands-on Room 1	Hands-on Room 2
<div>CF 211</div> <div>Pushing the boundaries in HCC management: new horizons in...</div> <div></div>			<div>HDT-TA 21.1</div> <div>Tumour ablation: heat-based ablation</div> <div></div>	
<div>CF 221</div> <div>Mastering local treatment of metastatic colorectal cancer</div> <div></div>	<div>CF 222</div> <div>Defining success in renal IO: outcomes that drive practice</div> <div></div>		<div>HDT-TA 22.1</div> <div>Tumour ablation: cold-based ablation</div> <div></div>	<div>WS 22.2</div> <div>Workshop: Mastering communication in patient care</div>
SY 231 – Satellite Symposium				
SY 232 – Satellite Symposium				
SY 233 – Satellite Symposium				
<div>EM 241</div> <div>ECIO meets ESMO: from ablation and palliation to immune activation in breast cancer</div>	<div>CF 242</div> <div>Immunotherapy: a snapshot of the opportunities and challenges for IO</div>	<div>CF 243</div> <div>Shaping the future of IR: leadership, collaboration, and training across borders</div>	<div>HDT-TA 24.1</div> <div>Tumour ablation: non-thermal ablation</div> <div></div>	<div>WS 24.2</div> <div>Workshop: Collaborative decisions that count – enhancing MDT effectiveness</div>
<div>TF 251</div> <div>How to perform a safe and effective procedure: a step-by-step approach (1)</div>	<div>CF 252</div> <div>Setting standards, building evidence and driving impact in IO</div>	<div>BC 253</div> <div>Basic course: lung – the essentials</div> <div></div>	<div>HDT-TA 25.1</div> <div>Tumour ablation: confirmation software</div> <div></div>	
SY 260 – Satellite Symposium				

TECHNICAL EXHIBITION

TIMETABLE

ECIO 2026

APRIL 26 - 30
BASEL, CH

TUESDAY, APRIL 28

	Auditorium 1	Auditorium 2	Auditorium 3	Hands-on Room 1	Hands-on Room 2
45					
08:00					
15					
30					
45					
09:00	TB 311 Tumour Board: lung 	CF 312 Spinal metastases: multidisciplinary management 	SP 313 Scientific papers 1 	HDT-TA 31.1 Tumour ablation: confirmation software 	HDT-RE 31.2 Radioembolization: dosimetry and administration systems 
15					
30					
45					
10:00					
15					
30					
45					
11:00	HL 321 – Thierry de Baère Lecture			HDT-TA 32.1 Tumour ablation: non-thermal ablation 	
15					
30					
45					
12:00	HT 322 – Break-throughs in IO				
15					
30					
45					
13:00	SY 331 – Satellite Symposium				
15					
30					
45	SY 332 – Satellite Symposium				
14:00					
15					
30	SY 333 – Satellite Symposium				
45					
15:00					
15					
30					
45					
16:00	TB 341 Tumour Board: colorectal cancer 	EM 342 ECIO meets EUROSPINE: current trends of treating spinal metastases	SP 343 Scientific papers 2 	HDT-TA 34.1 Tumour ablation: cold-based ablation 	HDT-RE 34.2 Radioembolization: dosimetry and administration systems 
15					
30					
45					
17:00					
15					
30					
45					
18:00	CF 351 Ask me anything: an MDT approach to patient care	IA 352 – Structured IO pathways: delivering excellence in ablation care at IASIOS centres / Accreditation workshop	BC 353 Basic course: lung – the primary lung cancer 	HDT-TA 35.1 Tumour ablation: heat-based ablation 	
15					
30					
45					
19:00	SY 360 – Satellite Symposium				
15					

TECHNICAL EXHIBITION

- BC:** Basic Course
- BRCR:** Breast Cryoablation Course
- CF:** Clinical Focus Session
- EM:** ECIO meets
- HDT:** Hands-on Device Training
- HL:** Honorary Lecture
- HT:** Hot Topics
- IOFC:** IO Foundation Course
- MM:** Morbidity and Mortality
- SP:** Scientific Paper Session
- SY:** Satellite Symposium
- TB:** Tumour Board
- TF:** Technical Focus Session
- VL:** Video Learning Session
- WS:** Workshop

 onsite exclusive

 voting/polling

 Sessions recommended for EBIR preparation

TIMETABLE

ECIO 2026

APRIL 26 - 30
BASEL, CH

WEDNESDAY, APRIL 29

THURSDAY, APRIL 30

	Auditorium 1	Auditorium 2	Auditorium 3	Hands-on Room 1	Hands-on Room 2	Auditorium 2	Auditorium 3	
45								45
08:00								08:00
15								15
30								30
45								45
09:00	CF 411 – HCC in metabolic dysfunction-associated steatotic liver disease (MASLD): a world of challenges and opportunities	CF 412 Management of extra-spinal bone metastases	SP 413 Scientific papers 3	HDT-TA 41.1 Tumour ablation: non-thermal ablation		TB 511 Tumour Board: HCC	CF 512 Learn how to avoid disaster and manage it if it occurs	09:00
15								15
30								30
45								45
10:00								10:00
15								15
30								30
45								45
11:00	CF 421 – Oligometastatic disease: navigating through the natural reserve of local ablative treatments	CF 422 – What can the interventional radiologist do in the treatment of non-colorectal liver metastases?	CF 423 Cancer as a chronic disease	HDT-TA 42.1 Tumour ablation: heat-based ablation	HDT-MSK 42.2 Musculoskeletal oncologic interventions			11:00
15								15
30								30
45								45
12:00						MM 521 Morbidity & Mortality		12:00
15								15
30								30
45								45
13:00	SY 431 – Satellite Symposium							13:00
15								15
30	SY 432 – Satellite Symposium							30
45								45
14:00	SY 433 – Satellite Symposium							14:00
15								15
30								30
45								45
15:00	TF 441 How to perform a safe and effective procedure: a step-by-step approach (2)	EM 442 – ECIO meets E-AHPBA: cut or burn? When surgeons and interventional oncologists team up	CF 443 Meet the PI	HDT-TA 44.1 Tumour ablation: cold-based ablation	HDT-MSK 44.2 Musculoskeletal oncologic interventions			15:00
15								15
30								30
45								45
16:00								16:00
15								15
30								30
45								45
17:00	TF 451 Tumour Board: renal cancer	CF 452 Smart tools, smarter IO	BC 453 Basic course: lung					17:00
15								15
30								30
45								45
18:00								18:00
15								15
30								30
45								45
19:00								19:00
15								15

TECHNICAL EXHIBITION
